

The Communications Commission manages the internal and external communications of our church. This includes the website, Facebook, Instagram, local digital newspapers, banners at the corner of Routes 202 and 132, online event calendars, press releases, advertising, brochures, the TV monitor in the Gathering Space, and community fairs. We tell the story of the church's activities – from both in-person and online worship, to Sunday School, to mission projects, to the annual Stewardship Campaign, to congregational get-togethers, and to many other church events and church mission work.

If you enjoy or have a desire to learn about designing graphics, writing blogs and articles, managing social media, or running a website, you may enjoy joining our commission. You do not have to have experience in these areas to be part of Communications – just a passion to help tell our story!
