

CONGREGATIONAL LIFE COMMISSION

By extending hospitality to our church members, visitors, and strangers, we offer a safe space for people to get acquainted and have some time to socialize. Our events and activities unite our two services and offer time for our extended church family to better know one another.

After our Sunday services is fellowship time with coffee and light snacks. Sometimes we go all out with potluck lunches.

Throughout the year we schedule a variety of events. We open our homes to enjoy a Progressive Dinner. We gather and discuss a current topic over dinner. We organize game nights. We schedule a local walk and an occasional hike to appreciate the beauty of God's earth. And, of course, there is the annual Parish Picnic that includes fun and food for all.

If you like sparking fellowship, join our commission. Perhaps choose an annual event that we can count on you to support. Or maybe suggest a new event that you want to plan. You aren't expected to host a coffee hour, but we hope that you might help host one. We're inviting you to join us as we provide fellowship and fun for our church family.
