

Love Unbound How Sweet the Sound!

A NEW SONG FOR THE NEXT CENTURY

‘Encourage one another
in all wisdom,
singing psalms and hymns
and spiritual songs,
with thankfulness
in your hearts to God.’

Love Unbound

FPCY: A Home for Connection & Community

For nearly 300 years, FPCY has opened its doors to our community — feeding neighbors, welcoming newcomers, and serving without condition.

As we approach our 300th anniversary in 2030, we ask the same enduring questions:

What legacy will we build for the next century?

How do we love our neighbors well now and into the future?

How Sweet the Sound!

Our answer is an innovative ministry initiative that creates welcoming space where connection, healing, and joy can be found:

Why Now?

The 2023 Surgeon General's report named social disconnection as a public health crisis. For people of faith, it's also a spiritual crisis.

In a time when public discourse and polarization have left many feeling unseen or divided, discord, loneliness, and isolation have become defining challenges of our time. How will we respond and continue to practice the hallmark of FPCY ~ Radical Hospitality?

Love Unbound is a faithful response and a natural extension of FPCY's mission to welcome, serve, and connect in Christ's name. It brings our congregation and community together into a sustainable ministry of hospitality, healing, and shared joy.

Why Us?

FPCY has a deep love for the power and beauty of music and a longstanding commitment to musical excellence. **Love Unbound** builds on our already vibrant music ministry and will give our neighbors a space to connect through creativity and grace, to find rhythm and belonging with others, and to experience God's love in community.

Offering a "Third Place" for our Community

What is a "Third Place"?

A "third place" is a space distinct from home and work where real community is formed, where loneliness softens, status fades, and simply showing up is enough. Such places are disappearing in our rapidly changing, disconnected world.

Churches like FPCY

can be exactly this kind of place—when our doors are open wide and we are willing to expand our ideas of what church can be.

2026 Capital Campaign

This is a moment of convergence: where our capital needs and our missional opportunities meet.

Our Faithful Organ Restored for the Next Century

Our beautiful pipe organ has lovingly served our congregation for 35 years and is in need of restoration and improvement. The repair and upgrade is among the most meaningful and most joyful investments this campaign will make.

Restored to its full voice, the organ will anchor Sunday worship, fill the sanctuary during recitals and concerts, welcome students from first lesson to professional performance, and stand as a living symbol of this congregation's commitment to musical excellence — for generations to come.

This 3-year campaign will enable us to open doors to new friends in need of connection through love in action and to serve our community in new ways.
