## Grounded in Gratitude

For nearly 300 years, people have worshipped and served God in this place.

We are grateful to the generations who have come before us. In addition to a rich heritage of worship, service, friendship, and inquiry, they have endowed us with a magnificent, debt-free facility from which we live out our mission of *connecting with God, one another, and the world.*

We have spent the past 2 years discerning what makes us, as individuals and as a congregation, excited for the future. Now it is our turn to invest our time, talent, and treasure in improving our capacity for worship and ministry in advance of our 300th anniversary.

We affirmed our grounding in *Radical Hospitality* to create *Compelling Worship, Lifelong Faith Formation, Intentional Fellowship, Inspirational Stewardship,* and *Transformational Mission.*

As we prepare to begin our fourth century of building God's Kingdom it is right that we ensure our facility is ready for the task. Let us join together and pray,

*"Lord, what would you do through me?"*

## Forward in Faith

### 2019 Stewardship Campaign

This annual campaign funds our broad offering of programs and ministries, fulfills our commitment to social justice and mission, and sustains and supports our professional staff and day-to-day facility maintenance.

### 2018-2021 Capital Campaign

This 3-year campaign will enable us to improve our efficiency, upgrade our facilities, design and implement new space options, and enrich our capabilities to worship, serve, and grow in faith.

*Lord, What Would You Do Through Me?*

## Here's What You Can Do:

- Attend worship services and campaign events.
- Reflect on what you are grateful for and how we can move forward in faith.
- Pray for the future of FPCY and our faithful response to the annual and capital campaigns.
- Give in the spirit of "not an equal share, but an equal sacrifice."
